Note:

The Horticultural and River Management contracts were extended by the Town Council at its meeting of its Finance and Operations Committee on 11 February 2020 under para 11.1 (d) of its Financial Regulations. Although the River Management contract is under the £5k threshold, the details have been included in this return for transparency reasons. The Horticultural contract was extended for a further two years (Minute 127). The Stonebarn River contract was extended for a further two years at the increased cost of £4,100 (Minute 128).
